

Association of Architectural Technologist of Ontario

The Association of Architectural Technologists of Ontario (AATO) will be holding their 2009 Annual General Meeting (AGM) and celebrating their 40th year anniversary in Ottawa, the nation's capital.

In celebration of this milestone the AATO is extending an invitation to other professional bodies and students to join us in our celebration. On Saturday, April 25, 2009 we will be having education seminars relating to Ontario Building Code issues, green building technology and radon gas. We will have a product showcase during the seminar time period, as well as two walking tours with an architectural theme.

The AGM, seminars and product showcase will take place at The Crowne Plaza Hotel, 101 Lyon Street, Ottawa, while the two tours being offered are at the National Art Gallery and the Library of Parliament.
